

## 2009 Heritage Gas Grills and Accessories

# Taste the Vermont Castings Difference

## VCS300 & VCS500 (Not Shown) Built In

Your new VCS built in grill will be the talk of the neighborhood. Dress it up in whatever style suits your outdoor room décor and these grills are a great way to enjoy outdoor living almost year round. Available in three or five burner styles, with up to 62,500 BTUs, up to 937 square inches of cooking surface, as well as a rotisserie kit, smoker box, optional side burner and a host of additional features, you'll want to do all of your cooking outdoors!

VCS300 Built In

VCS300SS

## Heritage VCS500 (Not Shown)

With rugged construction and 62,500BTUs of "horsepower" this five burner grill is the for serious grill masters only! Available in all stainless or stainless and black enamel, the VCS500 cart model barbecue does not lack for standard features. Among them stainless steel sear plates, single source electronic ignition, 304 stainless steel control panel with soft touch knobs & chrome bezels with backlighting, LED grill light, 304 stainless steel condiment trays and side shelves, 15,000 BTU side burner, 651 sq. in. primary & 286 sq. in. secondary cooking surface, commercial grade factory installed casters, 20,000 BTU rear rotisserie burner and much, much more.

## Heritage VCS400

Also available in stainless or stainless and black enamel, the VCS400 is the smaller cousin to the VCS500. All of the same great features as the VCS500 but in a four burner style, the VCS400 is the perfect size for any home. Built to look great and stand the test of time, the Heritage VCS400 grill is, like all Vermont Castings grills, the gold standard in outdoor cooking.

## Heritage VCS300

A great grill at a great price, the Heritage VCS300 barbecue, integrates all the quality construction and most of the added features of the larger models. Available in stainless or stainless and black enamel, the VCS300 has three burners, 37,500 BTUs and 630 square inches of cooking space.
